

Dear Potential Youth Staff Volunteer,

Revised 9.08

I'm glad you're interested in working with our student ministry!

I'm always looking for more volunteer leaders to serve on our student ministry team. I believe that solid and balanced ministry is built on relationships between adult staff and students. In the context of these healthy relationships, students see spiritual maturity modeled and they experience and understand God's love in practical and tangible ways.

**Quality staff is essential.** We are looking for men and women who are committed to Christ and desire to care for students. **I encourage you to observe our ministry for 1 month *before* you decide to apply.** If this ministry matches your phase of life, spiritual gifts, passion and schedule, then please begin the application process.

**Once you have completed the following and given them to me:**

1. Become a member of **The Bridge** (take the Membership Class & be approved by the elders)
2. Be baptized (if not already)
3. Background check (contact church secretary: Diane Baker)
4. **UNDERGROUND** Youth Staff Application completed & turned in
5. Both letters of recommendation mailed directly to me **then I will call you to schedule an interview.**

All information will be kept strictly confidential, unless there is a need for elder input, feedback and/or approval. In the meantime, please feel free to observe our youth events:

1. Sunday **UNDERGROUND** from 10:15 am - 11:45 am in ELL
  2. Wed night worship and cell groups from 6:45-8:30 pm in ELL
- If you have any need to reach me, please feel free to call.

For His glory and honor,

**Bruce Groves**

## Youth Staff Application Packet

### What Students Need From Caring Adults

Changing the youth world happens one student at a time. Students do not connect to programs; they connect to people. The most effective way to influence students is through significant relationships with key people in their lives. Our goal is to develop leaders who minister to students.

#### Students need adults who will:

- love God and live for Him
- be interested in their lives
- take initiative to spend time with them
- pray for them
- be real
- say encouraging words
- believe in them
- laugh as you enjoy life
- go to "their world"
- remember their names and care for them
- share God's love through personal experience
- be consistent in your involvement
- be patient

### How to be Involved in Students' Lives

For effective ministry with students, you need to:

1. **Understand the Purpose and Planned Values of Our Ministry.**  
Take a look at the values and goals that make our youth ministry effective in reaching and caring for students.
2. **Commit to a Program.**  
Consider the role for which God has shaped you in order to build relationships with students.
3. **Grow as a Minister.**  
Develop your personal walk with God, which will ultimately influence students.

## **UNDERGROUND** Purpose Statement

**UNDERGROUND** exists:

to **reach** unbelieving students, to **embrace** them as part of God's family, to **nurture** their spiritual growth, and to challenge the growing to **honor** God with their life as they **discover** their ministry call.

and

to **assist** and **support** parents in the training of their teens.

## Ministry Values

Ministry values are attitudes, styles, and beliefs that "influence" our purpose. We try to incorporate these key elements into our programs and our lives.

1. Our goal is to develop *godly* young men and women who are passionate about Jesus, not simply develop *good* kids.
2. **Parents**, especially fathers, are the God-ordained primary disciplers of their children and the **UNDERGROUND** is to assist, reinforce and champion their role. (Dt. 6; Ps 78:1-8)  
\* Parents are always encouraged to be an active part of the **UNDERGROUND** and they are welcome @ any event.
3. The lifestyle of intentional evangelism and disciplemaking is normal Christianity. (Matthew 28:18-20)
4. **Success**: teens become adults who desire to fulfill the **Great Commission** by living out the **Great Commandment**
5. **Maturity**: teen delays instant gratification, so as to accomplish long-term goals that are of greater importance.
6. **Spiritual Maturity**: Teen desires to hear from God and obey Him as the Holy Spirit instructs, encourages, exhorts and empowers him to apply His Word.
7. **Relationships**, not programs, are the key to effective ministry and life change

## **UNDERGROUND** Ministry Values Regarding Relationships with the Opposite Sex

1. Goal of the youth staff is to create an environment that is "sexually safe", which fosters spiritual growth & healthy friendships: ones that strengthen each other's focus on Jesus.
2. Speaking the truth in love to each another for the purpose of edification is greatly encouraged.

Flattery, flirtation and "temporary commitments" (aka "I love you ... for right now") can many times be used to manipulate others for the purpose of gratifying one's selfish desires.

(Rom 15:1-2; Eph 4:17-25)

3. Students are challenged to spend the primary focus of their time (and energy) with their own gender; young men will learn from the company of men what it means to be and act like a man of God. Young women will learn the same from other women.  
(2 Tim 2:2; Titus 2:4)
4. Students are challenged to guard their own purity by exercising self-control through the power of the Holy Spirit; Personal self-control will also protect the purity of their Christian brothers & sisters within our group. (Galatians 5:23)
5. **Golden Rule of Relationships**: Teens are challenged to treat each member of the opposite sex (who will someday be someone else's spouse) today in the same way they would want someone else to be treating their future spouse.

*Golden Rule Example*, if a young man does not want an unlimited number of brothers in Christ kissing or sexually touching his future wife before he marries her, then he should abstain in the same way with each girl he comes in contact with -- because they also will eventually be the wife of a brother in Christ.

**Key Point**: Until they **ARE** yours (in marriage), their heart & body are **NOT** yours ... They are God's and their future spouse's!  
(Matt 7:12; I Cor 6:18-7:4; I Thess 4:6)

# UNDERGROUND Ministry Values Regarding Relationships with the Opposite Sex

(continued)

6. Students are reminded that it is **God's specific will** to:
  - a. be **sanctified** (consecrate oneself to live holy -- free of sin -- as He is holy)
  - b. **avoid sexual immorality**
  - c. **control their own body** in a way that is holy & honorable
  - d. **not act in passionate lust** like those who do not know God (I Thessalonians 4:3-4)
7. **SCRIPTURE** exhorts students to **flee, avoid & abstain** from sexual immorality; the **WORLD** teaches that they can manage, control, limit or minimize it. Scripture commands us to **stand and resist** the **devil**, but tells us to run from sexual sin.

*Unfortunately*, today's teen and young adults do just the opposite: they **run** at the first sight of Satan & think they can *handle* sexual contact. (I Cor 6:18; I Thess 4:3; 2 Tim 2:22; I Pet 2:11)

8. **Pursuing Relationships** is NOT encouraged until students are **ready to marry. Why?**
  - a. Students are encouraged to wait and **look for a spouse**, not a boy/girlfriend. While waiting ... learn how to be a friend!
  - b. Less than 10% of those who "date" in high school ever marry their "school sweetheart".
  - c. Marriages can be negatively impacted by hearts being broken through **deceit, broken commitments** ("you said you loved me!") and **unmet expectations** ... not just by physical boundaries being crossed.
  - d. **Trust**, which is essential for a healthy marriage, can be violated & greatly damaged before marriage.
  - e. To keep one's future marriage strong, the **heart** -- not just one's body -- **needs to be guarded.** (Proverbs 4:23)

9. Scripture prohibits **sexual immorality** or *sexual intercourse outside of marriage*. Biblically that is pretty **Black and White!**  
**Wrong Question Student's Usually Ask:** How far can I go sexually with another believer as long as I don't have intercourse?

**Alternate question a student needs to answer which will help them personally identify where their sexual boundaries should be drawn:**

What do I believe would emotionally, verbally and physically violate the boundaries of **MY** relationship with my spouse **AFTER** I am married? Wouldn't those same things also violate the boundaries of my marriage **BEFOREHAND**?

**Second Alternate Question:** Is it only my actions **after** marriage (adultery) that defiles my marriage bed (or relationship) or can it be defiled by these same actions **before** marriage (fornication)? (read Hebrews 13:4)

10. **Public and private displays of affection** by students are not allowed @ ANY Underground events on or off campus.  
**Married Youth Staff** are encouraged to be appropriately affectionate at **ALL** Underground events (students and singles need to see what's worth waiting for!)
11. **Youth staff** are NOT to be involved romantically with students within the ministry and they are to be a role model of integrity, honor and moral purity in their relationships with the opposite sex, so they also can personally:
  - a. Keep their marriage bed pure and reap the benefits.  
Yippee! God is good! (Hebrews 13:4)
  - b. Not transgress and defraud their brother/sister in Christ (I Thess 4:5)
  - c. Not experience the judgment of God (I Th 4:6-8; Heb 13:4)

(See also Ephesians 4:17-25; I Thessalonians 4:3-9; I Timothy 1:5)

# What Am I Committing To?

## I. Godly Personal Lifestyle

1. **Lead with an attitude of humility and servanthood out of a desire to bless and build up others in love.** Champion and encourage students that in Christ they are “God’s masterpiece” created for good works (Matt 22:37-39; Eph 2:10; Phil 2:1-11; I Peter 5:2-7)
2. **Model transparency and spiritual genuineness in your conversation.** Honest and discreet sharing of how God has provided for you when you struggle with fear, failure, obstacles, sin and inadequacy will encourage students to:
  - a. feel they are not alone or a failure before God
  - b. candidly share their struggles with the group
  - c. share honestly rather than simply give the “right” answer.
  - d. genuinely change b/c they are more honest about their problems
3. **Be diligent to preserve unity in the bond of peace.** Be quick to admit when you have hurt others and humbly ask for their forgiveness. Out of a commitment to not let our enemy use unresolved conflict to divide our group, *quickly* go to those whom you feel may have something against you and/or quickly initiate with gentleness addressing those who have offended you. (Matt 5:23-26, 18:15-19; Gal 6:1-4; Eph 4:1-3)
4. **Zealously guard the holiness of our group.** Like Phinehas, when we see sin in our group we commit to address it with mercy, grace and truth, rather than ignore it. Calling students to produce *deeds appropriate to repentance* may include them:
  - a. confessing their sins to their parents
  - b. reconciling with those they have offended
  - c. making restitution where necessary
  - d. losing privileges within the **UNDERGROUND** until trust has been regained (Num 25; I Cor 5)
5. **Model and then challenge students to experience the promised life of joy that is found:**
  - a. in complete surrender to Christ by knowing and obeying His Word
  - b. through intimacy with Him in prayer
  - c. by sharing the good news with others
  - d. in fellowshiping with believers of all nations, tongues and tribes
  - e. in serving others and denying myself.

1. **Time Commitment** which includes modeling commitment to the church and not just the **UNDERGROUND**:
  - a. Sunday Worship - 1st hour
  - b. **UNDERGROUND** - 2nd hour
  - c. Worship & Cell Groups: Wednesdays, 6:45-8:30 pm
  - d. **Youth Staff Meetings**: once a month on Sunday's: Time TBD
  - e. **Youth Staff Retreat**: TBD
  - f. Socials and outreaches (whole **UNDERGROUND** or individual Cells)
  - g. Winter Camp 2009 (Sr Hi: Jan 16-19; Jr Hi: Jan 23-25)
  - h. Summer Camp 2009 (Combined Jr & Sr Hi: August 28-31)
  - h. Summer Harvest 2009 (Opt.: SETT - July 10-17; VBS - July 20-24)
  - i. Mexico Outreach: Loft Home construction & evangelism (Optional)

## 2. Modeling what you are challenging your students to do each week in your cell group:

- a. Complete your **lessons**
- b. Average **4 devotions** per week
- c. Model how to apply scripture from your devotions to your life.  
**Come prepared to share @ least 1 way that God is wanting to change your life. Your applications need to be:**

- \* **practical:** specific observable attitude or action
- \* **measurable:** you can determine whether or not you did it
- \* **attainable:** it is a goal that can be achieved; not idealistic

### Application Examples:

1. **Bad:** *I'll never be mean to my siblings again.*
  - a. “mean” is vague, “never” is unrealistic, and it is impossible to determine when you have stopped being “mean”.
2. **Good:** *I'll verbally compliment each of my siblings 3 x's this week.*
  - a. “verbally compliment” is a specific observable action, “each”, “3x's” and “this week” are measurable; this application is reasonable.

### Types of Applications:

- Sin to confess
- Promise to claim/principle to apply on how to live
- Action/Attitude to avoid
- Command to obey/Character trait of God to praise
- Example (person in Bible) to follow

**4 application areas:** Personal Life, School, Family, **UNDERGROUND**

## What Am I Committing To?

(continued)

- d. **Contacting:** youth staff divide up the group and give everyone someone to contact during the week for accountability, encouragement and relationship building.

**Youth staff** should divide their group so they can more effectively:

- a. meet once with each student 1-on-1 every month, so they know how each student is doing; allows student to share candidly.
- b. call their students each week to follow up on: their personal application, prayer requests or reason for their absence.

- e. **Prayer & Evangelism:**

1. pray for each others personal application/requests
2. pray for those on each student's **5 Most Wanted List**.
3. model developing relationships with non-Xians intentionally
4. help students witness to the friends they bring to **UNDERGROUND** events
5. model witnessing when we evangelize in the community.

### 3. Intentional Discipleship of Cell Group Members

**1st:** Intentionally assess where each student is spiritually & socially

**2nd:** Determine biblically where they need to grow

**3rd:** Come up with a practical strategy, using the 6-Step Teaching Method of Christ, to help them grow: start from where they are now and lead them to where God wants them to be/go.

#### 6-Step Teaching Method of Christ:

##### 1 Tell Them What

where they are at, where they need to go, what the Bible says, etc.

##### 2 Tell Them Why

God's will, why it will benefit them, etc.

##### 3 Show Them How

Model for them -- while they watch -- the correct thinking, attitude, behavior and/or skill

##### 4 Do it With Them

Together you model each step and the student tries to do it with your immediate assistance until they develop confidence

##### 5 Let Them Do It

Give them an opportunity to do it alone. They will return for coaching and counsel.

##### 6 Unleash Them

Now that they are "fully trained", you release them to:

1. continue working on their own as led by God
2. intentionally find someone else to mentor; to reproduce

# Good Questions to Ask in Evaluating Where a Student is Spiritually and Socially in Your Cell Group

1. How do they resolve conflict? Avoid, rage, stuff, deny or graciously confront?
  2. Do they know how to develop healthy and godly friendships? Or do they tend to choose poorly when making friends?
  3. How do they respond to correction? Are they teachable?
  4. How do they follow through on their commitments? Are they faithful?
  5. Do they make Christ a priority in their life and schedule? Are they available?
  6. How do they converse with others? Do they know how to compliment or build up others? Is their language vulgar, profane, sexual or hurtful?
  7. What are their priorities in life? Are they biblical? Are they seeking Jesus and His kingdom first?
  8. Do they think biblically when making decisions or do they evaluate life by the world's standards?
  9. Are they honest with themselves or do they deceive themselves?
  10. Do they respect and submit to authority? Do they value authority?
  11. Do they honor and respect the opposite sex? Do they see the opposite sex as potentially someone else's spouse?
  12. While waiting to be old enough to marry, are they intentionally becoming the man or women -- who will become an excellent spouse and parent -- by learning from older men and women (especially their parents) today who are godly examples?
  13. Do they encourage others for their edification or do they flatter and manipulate for their own?
  14. Are they able to understand how they really feel and communicate that with others?
  15. Does their walk match their talk? Is there integrity in their life?
  16. What is their reputation @ home, school, **UNDERGROUND** and friends?
  17. Are they easily influenced by others? Do they have the courage to keep to their convictions in the face of resistance and pressure even if it costs them? Do they fear God or men?
  18. Do they keep their commitments? Does their "Yes" really mean "Yes"?
  19. What is their "it"? What is the sin that they struggle to experience victory over and discourages them the most?
  20. Do they want accountability in their life?
  21. Do they value property and life? How do they treat animals and other people's things?
  22. Do they have integrity? Do they obey only when their parents are watching or all of the time?
  23. Do they love and give time to those who are unpopular, unattractive and difficult to relate to ... or simply to those who are like them or can give them something?
  24. Are they teachable? Do they welcome and ask for input into their life? Do they simply want compliments or do they want to mature and become more like Christ? How do they respond when corrected?
  25. Are they submissive to authority? What is their attitude and how do they respond when they are told "no"?
  26. **Ministry & Life Skills:** Do they know how to:
    - a. Have a personal devotion?
    - b. pray?
    - c. read and apply the word?
    - d. share their faith?
    - e. manage money (save, tithe, budget)?
    - f. resolve a conflict?
    - g. determine God's will?
    - h. determine and use their spiritual gifts?
- Youth Staff Perspective:
- **Time:** Be patient; feeling comfortable & connecting with students takes time.
  - **Participation:** Going on special events and camps will help intensify and solidify your relationships with students.
  - **Initiative:** The more you invest, the more you will get out of it. Your relationships will grow deeper as you invest time.
